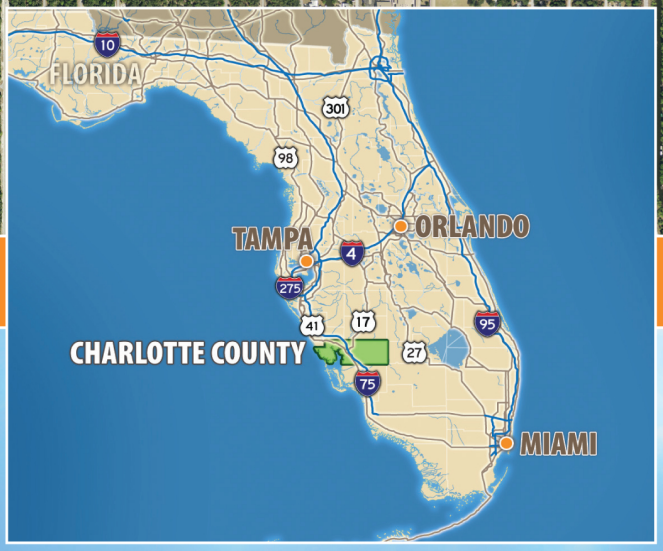
MURDOCK VILLAGE

Florida's Hottest Opportunity



Murdock Village

870+ prime acres of publicly owned land in the heart of a dense consumer market in Southwest Florida. A strategic location adjacent to the Charlotte County Sports Park (home to Tampa Bay Rays' spring training and the Charlotte Stone Crabs regular season) and just minutes from I-75, scenic Gulf beaches, and the beautiful Charlotte Harbor. Excellent demographics, high traffic counts, with frontage on U.S. 41 and State Road 776, and zoning customized to your needs.
