Affordable Housing Programs

The **State Housing Initiatives Partnership (SHIP)** Program provides Charlotte County with State funds to expand or preserve affordable housing to income eligible households and other special needs groups. The Housing Division is responsible for coordinating the development of a Local Housing Assistance Plan (LHAP) describing how funds from the SHIP Program will be used within the framework established by the Florida Legislature. For a copy of the current Local Housing Assistance Plan, go to the County's web site www.CharlotteCountyFL.gov.

Eligibility for programs is based on household income as determined by the U.S. Department of Housing and Urban Development each year. For 2021, income limits are listed on the following table. Extremely-low-income households are those with incomes below 30 percent of the Area Median Income (AMI). Very-low incomes are those at or below 50 percent of AMI. Low-incomes are between 51 and 80 percent of AMI. Moderate incomes are between 81 and 120 percent of AMI.

| Income Limits for 2023 | | | | |
|------------------------|----------|----------|----------|-----------|
| | 30% (EL) | 50% (VL) | 80% (L) | 120% (M) |

Homeowners Initiatives

When funding is available as required by Florida Statutes; each of these programs will be posted on Charlotte County Government website as well as advertised in the newspaper.

- **Purchase Assistance:** Provides 0% interest, deferred loans to first time homebuyers to assist with the purchase of homes. Very low and low income households are served. Moderate income households will be served if adequate funds are available.
- **Homeowner Rehabilitation:** Provides 0% interest, deferred loans to assist in the rehabilitation of housing owned by Very low and low income households. A limited number of moderate income households will be served if adequate funds are available.

Homeownership opportunities in Charlotte County are also provided by Habitat for Humanity. Habitat for Humanity creates a partnership where the homeowners are involved in all aspects of the building of their home. In addition to a small down payment, each Habitat for Humanity family is required to invest hours of "sweat equity" in the construction of their Habitat home. The families work on the

construction of their homes and other Habitat homes. Habitat does not charge interest on the mortgage, and in most cases the mortgages are for 30 years. Homeowner payments are paid into a revolving fund which helps support the construction of new homes. To find out more about these opportunities, call 941.639.3162 or go online to www.charlottecountyhfh.org.

Rental Initiatives
