WATER

Celebrating Drinking Water Week, a special time to acknowledge the essential role of water in our lives for both professionals and communities.

Drinking Water Week May 5-11 recap

UNDER CONSTRUCTION

Ackerman Septic to Sewer Project:

Construction of a wastewater system to service approximately 2,135 properties with sewer service is underway. Zones 1 and 2 and the vacuum station are operating, and Zones 1 and 2 sewer connections have begun.

April Connections: 16 Total Connections: 331

Hillsborough Boulevard 8-inch Water Main Project:

This project is installing an 8-inch water main along Hillsborough Boulevard from Yorkshire St. to US 41. The water main will be installed parallel to the Peace River Manasota Water Authority's 42-inch Phase 2B Pipeline. Construction of the 8-inch water main is underway.

East Port Water Reclamation Facility Expansion

This project includes expanding the current water reclamation facility to treat six million gallons of wastewater per day to nine million gallons per day. The project also includes advanced wastewater treatment, which is a valuable addition to the treatment process to ensure treated water has as low concentrations of nutrients as possible. On-site work has begun.
