Dear ANRAC members,

It has been brought to my attention that there was a brief discussion about MSBUs at your July 14, 2016 ANRAC meeting. Apparently a question was raised as to what happens to funds in an MSBU if the MSBU is abolished by the BCC. I just wanted to clarify for you that funds collected in an MSBU must be used for services or facilities within the MSBU or else be refunded. We cannot roll (or transfer) such funds to the general fund.

I trust this addresses your question. Please DO NOT "REPLY ALL" to this email. As always, thank you for your service.
