I. Call to Order/Roll Call/Determination of Quorum

The **Beaches and Shores Advisory Committee** Field Trip commenced on January 4, 2008, at 9:00am for an on-site inspection of Stump Pass Beach State Park Innovative Technology Project and to view various portions of Charlotte County Beaches. A quorum was present.

II. Several members walked the beach while others rode to the GEO-textile tubes. While at the GEO-tubes, an informal discussion was held followed by a question and answer period. **Marie Garrett** and **Dr. Edge** answered questions from the committee regarding the GEO-tubes. **Jamie Cohlmeier** provided input on technical questions regarding the Dredge/Nourishment Project.

III. After a brief period at Stump Pass, the group proceeded to two more locations along Manasota Key to view various portions of the beach. The trip along Manasota Key concluded and the group proceeded to view beach sites on Don Pedro, Knight, and Palm Island.

IV. Next Meeting

The next regular meeting will be held on **February 7, 2008, 2007** at 9:00a.m.in Conference Room 207B.

V. Adjournment

There being no further business, the meeting was **ADJOURNED**.
