**VAR-15-003**

Stephen and Jody Norris are requesting a variance to reduce the required rear yard setback by ten-feet, from 20' to ten-feet, for a swimming pool at an existing single-family residence, in the Manasota Single Family-3.5 (MSF-3.5) zoning district. The property address is **4086 North Beach Road, Englewood**, and is described as parcel P27-5, located in Section 02, Township 41 South, Range 19 East.

Ken Quillen presented general information and staff findings for the petition. He handed out a copy of the Manasota and Sandpiper Key approval sheet for this petition, labeled Exhibit G.

**Applicant Presentation**

**Stephen Norris, applicant, 4086 North Beach Road, said he was sworn in. Mr. Norris** said when they were getting ready to purchase the house in November 2014, they had two pool contractor's come give them information where the pool could go. The first contractor did not say anything about a 20 foot setback, but the second contractor mentioned the code changed from 10 feet to 20 feet. They would like the pool for recreation and he has a son with a knee and foot injury and he would benefit from the therapy. He spoke with both neighbors and they had no problems with the variance.

**Buddy Braselton, Planner, said he was sworn in. He said the Manasota and Sandpiper Key overlay changed the rear setback which used to be 10 feet to 20 feet. They are aware of this request and approved it.**

***Chair Ariens opened the meeting to Public Hearing.***

No one spoke for or against this request.

***There being no further requests to speak for or against the petition, Mr. Fix moved to close the public hearing, seconded by Mr. McVety. The public hearing was closed with a unanimous vote.***

None

**ACTION:** A motion was presented by Joe Tiseo and seconded by Blair McVety that Petition VAR-15-003 be APPROVED based on the Community Development Staff Report dated May 6, 2015, the evidence and testimony presented at the hearing and finding that the applicant HAS MET the required criteria for the granting of the Variance with the 3 conditions recommended by staff.

**Motion was approved with a unanimous vote with the following three conditions:**

1. The variance, as approved by the Board of Zoning Appeals, is to reduce the required 20-foot rear yard setback by 10 feet to allow a 10-foot rear setback for the proposed swimming pool only.
2. This variance extends only to the swimming pool as proposed in the documents submitted with this application. This variance shall carry with the swimming pool only once it is constructed. If the proposed swimming pool is not constructed within three years then this variance shall expire.
3. If the swimming pool is constructed and at a later date removed, destroyed or replaced, all future development must be constructed according to all applicable codes in existence at that time, unless a new variance is granted specific to the development proposed at that time.
