The following petitions were advertised on March 26, 2013: VAR-13-002 and SE-13-003

VAR-13-002

Phil Eason, agent for Charles and Margaret Scarl, is requesting a variance to reduce the required westerly street side yard setback requirement by 4.0', from 20.5' to 16.5', in the Manasota Single-family-5 (MSF-5) zoning district. The property address is 105 Wilhelm Drive, Englewood, and is described as Lot 1, of S. J. Chadwick's re-subdivision of Lot 10, of Part of Government Lot 3 and Government Lot 4, of Section 12, Township 41 South, Range 19 East.

Ken Quillen presented general information and staff findings for the petition.

Applicant Presentation

Phil Eason, agent for the applicant, said he was sworn in. Mr. Eason discussed the dimensions for the site and said they tried many different designs for this house in order to have a stairway that runs continuously from the ground floor to the upper floor. They have received approval from the Manasota Sandpiper Key board.

Chair Ariens opened the meeting to Public Hearing.

Public Input

Jack Landis, who is on the Manasota Sandpiper Key Advisory Board, said he was sworn in. Mr. Landis said they gave their recommendation for this board of approval with one stipulation. The stipulation is to increase the east setback from the seven feet to 10 feet which would be in compliance with the overlay code requirements on Manasota Key. Also moving the structure three feet westerly, which change the setback from 16.5 to 13.5 feet along Gulf Boulevard.

Ms. Ariens said you have a tentative agreement with the owners for this?

Mr. Landis replied yes.

Mr. Eason said the owners would agree to this variance modification.

Shaun Cullinan, Zoning Official, said the one problem staff has is #6, the minimum modification for four feet. This change would make it seven feet. It would be closer to Gulf Boulevard.

There was some discussion about the Manasota Advisory Board recommendation, zoning code, setbacks, and staff's recommendation.

Mr. Quillen said this proposed modification had not been advertised.

Buddy Braselton, Planner II, said moving the entire building three feet will put the building within that site triangle, so they would need a variance for that as well.

Mr. Tiseo said they need to focus just on the original request.

There being no further requests to speak for or against the petition, Mr. McVety moved to close the public hearing, seconded by Mr. Fix. The public hearing was closed with a unanimous vote.

Ken Quillen presented the analysis, conclusion and recommended conditions for the petition.

Board Member Comments and Questions

None

ACTION: A motion was presented by Joe Tiseo and seconded by Blair McVety that Petition VAR-13-002 be APPROVED based on the Community Development Staff Report dated April 2, 2013, the evidence and testimony presented at the hearing and finding that the applicant HAS MET the required criteria for the granting of the Variance with three conditions.

Motion was approved with a unanimous vote with the following three conditions:

1. This variance, as approved by the Board of Zoning Appeals, is to reduce the required 20.5' westerly street side yard setback by 4.0' to allow a setback of 16.5'.
2. This variance extends only to the single-family residence as it is currently proposed to be constructed and located on subject property and shall carry with this structure only once it is constructed.
3. If the home is ever removed, destroyed or replaced, all future development must be constructed according to all applicable codes in existence at that time, unless a new variance is granted specific to the development proposed at that time.

SE-13-003

Attorney Barbara Luikart, agent for Dollar Thrifty Automotive Group, Inc. is requesting a special exception to allow an automobile rental agency in the Commercial General (CG) zoning district. The property address is 1931 Tamiami Trail, Port Charlotte, Florida, and is described as Parcel P3-2, located in Section 08, Township 40 South, Range 22 East.

Ken Quillen presented general information and staff findings for the petition.

Applicant Presentation

Attorney Barbara Luikart, agent for Dollar Thrifty Automotive Group (DTG), Inc., said she was sworn in. **Ms. Luikart** said also with her was Dan Ashby, Manager for DTG and the owners Don and Joyce Ward. She said the staff report is correct and this is compatible with the current uses.

There were some questions about the parking for the rental cars and the shopping center spaces (shared parking).

Dan Ashby, Manager for Dollar Thrifty, explained how they use the rental cars in the parking lot, when cars are returned, and briefly how the rental process works.

Don Ward, owner of the shopping center, said most of the stores in the front use the parking during the day, they close around 5 and the parking lot is mostly empty after those hours. The Days Inn gets busier after 5 p.m. and some of them use our parking at night but it works out. The parking has worked out well for years. The Thrifty parking will probably have signs saying reserved.

Chair Ariens opened the meeting to Public Hearing.

Public Input

No one spoke for or against this request.

There being no further requests to speak for or against the petition, Mr. McVety moved to close the public hearing, seconded by Mr. Fix. The public hearing was closed with a unanimous vote.
