

**GROVE CITY COMMUNITY PLAN ADVISORY COMMITTEE
MEETING MINUTES
November 22, 2010**

Audrey Shinske, Mike Metcalf and Carolyn Spradlin were in attendance. Audrey called the meeting to order at 3:10 p.m.

Carolyn made a motion to approve the minutes from the Oct. 25, 2010 meeting. Mike seconded. Motion passed.

Dick Loftus led a discussion about the creation of a CRA. He explained the creation of the Charlotte Harbor CRA and TIF funding. He stated that over 50 public meetings were held to build consensus for the Charlotte Harbor CRA. The committee is very interested in pursuing a CRA but stated they were only interested in beautifying the main corridors in Grove City. Mr. Loftus stressed the importance of building community consensus and involving the community through public meetings. The creation of a website to disseminate information was discussed by the committee. Mr. Loftus also advised the committee to communicate with the commissioners about the possibility of a CRA.

Carolyn left the meeting at 4:00 p.m. and an unofficial meeting continued as there was no quorum.

Audrey asked if Roxann could provide a list of all addresses in the Grove City Community Plan boundary for the civic association to use to send out information. Roxann will check into this.

The sunset provision in the bylaws was discussed. The committee will need to provide accomplishments between 2/17/09 and 2/17/12 to the BCC for committee renewal.

Audrey asked Mike if he would do a presentation to the MSBU about funding for lighting. She will ask Tara Musselman to attend the next meeting in January to discuss this.

The next meeting will be Jan. 24, 2011. No meeting will be held in December.

The meeting was adjourned at 4:30 p.m.
