

GROVE CITY ADVISORY BOARD MINUTES

NOVEMBER 28, 2011

Meeting called to order at 3:10 pm by Audrey Shinske, Chairperson with Nancy Christensen, Tim Krebs and Roxanne Read in attendance.

Minutes of previous meeting were read and approved.

Roxanne reported she had touched base with Shawn, zoning official regarding our architectural guidelines, but he has been swamped since coming into office.

Discussion on letter to be presented to Civic Association on our activities to date and information on our belief we should form a Grove City CRA and WHY. Roxanne asked us to hold off on that as the Board is heavily involved in the Parkside CRA and probably would not like to have too many CRA's at one time plus the zoning code is being re-written so Shawn hasn't really commented on letter contents.

Roxanne told us she wants to put us on the February 14th agenda of the Board of County Commissioners for re-appointments. In preparation for that meeting, she gave us copies of Action items we have in our plan and their status. She asked us to take them and bring back but Tim suggested we do them now. We went through the items and completed the form.

Discussion on asking Shawn to one of our meetings to discuss our architectural guidelines or have Tim talk to him regarding them and when that is completed will give copies to each commissioner.

With no further business meeting was adjourned at 4:30 pm.

The next meeting will be January 30, 2012
