Telephone number: 941-548-7560 Email: mhadsell@comcast.net

Amount of Funding Requested: 8659.22 Total Cost of Project: 8659.22

Estimated Completion Date: As soon as possible

Does your organization/department receive any other funding sources? NO If yes, please list: _____

If permits are required, list each, its type, and status. Attach all permits that have been issued or applied for to this application, along with the estimated length of time to complete the project by phase (if applicable), and a vicinity map. Do not apply for funding if permitting time will cause the project to exceed the achievable 1-year completion date.
N/A

Benefit to the County: Peace River K9 Search and Rescue water recovery team responds to mutual aid requests from Charlotte County EOC and Law Enforcement for the purpose of evidence location and Human remains recovery. This service is provided at no cost to the county as Peace River K9 is a Florida Non Profit corporation.

What operating costs, if any, are associated with the project? n/a

Other Justification: At the present time PRSAR boat unit is limited to the waters it can service due to smoke issues at idle and the trolling motor not being strong enough for the Harbor currents.

Please, attach any additional supporting information or documentation you feel is pertinent to your request.

Signature of authorized individual responsible for this application, and should funding be granted, the person responsible for assurances that funds are spent as proposed.
