RESUME

I have spent over 40 years in the IT (Information Technology) field from programming to Major Account Sales. Community involvement includes:

President of Valencia Community College Alumni Association. Served on Valencia's Foundation Board for 5 years. Graduated Phi Theta Kappa in 1993. Graduated from University of Central Florida 1993, Dean's List, President's List, Dean's List. I was a non-traditional student which is a nice way of saying I was older than the normal student.

Founder and 1st President of SIM (Society for Information Management) of Central Florida for more info go to simnet.org. SIM is an organization for IT Executives so they can have peer to peer interaction and share their knowledge. Chair, Environmental Committee, South Manasota/Sandpiper Key Association. Past chair, Manasota Key Streets and Drainage MSTU. Lead for Citizens' Climate Lobby, Venice Chapter. Leader, Climate Reality Project.

I have been a property owner on Manasota Key for 23 years and a full time resident for a little over 11 years. I care deeply about our toal environment in Charlotte County and have the time to give back to the community. I grew up on the Gulf of Mexico which is where I learned to ski in my birth town of Biloxi, MS. I grew up in Mobile, AL. skiing on Dog River and the waters around Dauphin Island.

I believe the goals of the MAC (Marine Advisory Committee) are the same as mine:

- To evaluate, consider and review marine-related matters in the County.
- To consider and analyze the development and maintenance of marine-related facilities and waterways.
- To solicit input from the public that may assist with the duties listed above.
- To provide recommendations to the Board of County Commissioners on issues related to those duties specified above or other duties assigned by the Board of Commissioners.
- To review and provide input on the Capital Improvement Budget for marine-related facilities.
