

South Gulf Cove (SGC) Advisory Committee Members Other Affiliations and Status of Current Projects Sponsored

Sandy Slater – Chair (CCT Associate Board Member)

- Entranceway Signage – Management contract award January 2009, construction completion planned end of 2009.
- SGC Neighborhood Park (at SGC Boat Ramp) – construction underway, completion planned summer 2009.
- Land Acquisition – 3 County lots traded in 2008 toward completing McAlester Park, pursuing additional trades to enhance other park sites.
- Funding & Resources – Entranceway signage, park development and park maintenance funding obtained through S&D MSBU. The \$1.2M to develop the Neighborhood Park at boat ramp obtained from West County Impact Fees.

Kendall Leach – Vice Chair (SGC HOA Board Member)

- Zoning & Flum – Working with County to align SGC Zoning and Future Land Use designations.
- Stormwater – Lake Watch Program underway to test water quality and clarity in SGC waterways.

April Chattinger – Secretary (SGC CERT Member)

- Public Safety & Health – 4-way stop signs installed at major intersections in 2008 as a result of 4 accidental deaths and numerous accidents, monitoring fire and EMS calls and response times to determine future fire and EMS facility needs within SGC.
- Fire Wise – Community designation achieved in 2007, multiple SGC lots cleared by Division of Forestry for wildfire hazard mitigation in December 2008, additional clearing and grants planned in 2009.
- Cove Connector – Fund raising in 2008 provides for 16 royal palms along 4 SGC entrances in the spring of 2009. Future fund raising will augment beautification, park development and bike/pedestrian pathways.

Yvonne Ermirio – (SGC Learning Garden Team Member)

- SGC Master Park Plan – BCC approved Plan in October 2008 that identifies 16 County owned parks on 63 acres, a pathway system, CR771 beautification, street landscaping and the Bird Island nature park. The land is now preserved within SGC for parks and will be developed as funding becomes available.
- Park Development and Maintenance – The SGC Park Sub-committee works with County Parks & Rec on design, development and maintenance of parks.
- Linear Park – Plans are underway to “trim up” the mangroves and clear the brush along the shoreline to open up the water view. Trimming must be done in accordance with Federal and State guidelines.

Jim Benson – (Scenic Highway Committee Liaison)

- Scenic Highway – Liaison to County’s Scenic Highway Committee that attained CR771 scenic highway designation in February 2008 as part of Cape Haze Loop. SGC/CR771 cleanup done October 2008 under Scenic Highway.
- Community Event Signs – Evaluating alternatives for placement of event signs at 4 SGC entrances in accordance with County regulations.
