DECLARATION OF UNITY OF TITLE (NO STRUCTURE)

WHEREAS, _____ I (hereinafter "OWNER") is the fee simple owner of the following described property (hereinafter "PROPERTY") located at _____ in Charlotte County, Florida:

Lots _____ & _____, Block _____, _____ SUBDIVISION, according to the map or plat thereof recorded in Plat Book _____, Pages _____ inclusive, of the Public Records of Charlotte County, Florida; and

WHEREAS, there is an existing single family residence located entirely on Lot _____, Block _____, Subdivision Section _____; and

WHEREAS, OWNER desires to unify the parcel for utility meter purpose(s) on adjacent Lot _____, Block _____, Subdivision Section _____; and

WHEREAS, Charlotte County will permit OWNER to have a single potable water meter to service both the single family residence and the accessory structure provided this Declaration of Unity of Title is executed and recorded by OWNER.

OWNER agrees to restrict the use of the PROPERTY so that said PROPERTY shall be considered as one unified parcel of land and no portion of said parcel shall be sold, transferred, devised or assigned separately, and may only be conveyed in its entirety as one parcel of land.

OWNER further agrees that this condition, restriction and limitation shall be deemed a covenant running with the land and shall be recorded, at OWNER's expense, in the Public Records of Charlotte County, Florida and shall remain in full force and effect and be binding upon the OWNER, her heirs, successors, personal representatives and assigns.

If OWNER desires to convey a portion of the PROPERTY, OWNER must first obtain a release of this Declaration of Unity of Title from Charlotte County. Prior to Charlotte County granting a release, OWNER must have separate potable water meters installed for each separate structure on the PROPERTY. Failure to obtain and record a release of this Declaration of Unity of Title from Charlotte County may result in disconnection of utility service.
