Summer Camp Program

Kids' Camp Connection - Your Contribution Can Make A Difference In A Child's Life!

Kids' Camp Connection is a Scholarship Program for Charlotte County Community Service's Summer Day Camp. Your contribution is needed to provide children the opportunity to go to camp this summer. Based upon your contribution, a child could go to camp from one to ten weeks. The program offers recreational and fitness experiences for children between the ages of 5 and 13 years of age. Just fill in the donation card below and don't forget that your contribution is tax deductible.

Our department is proud of its accomplishments. Last year the department served over 300 children at two different locations throughout Charlotte County. The Charlotte County Community Service's Summer Day Camp is a fee based program, one that is self supported. There is a strong need to provide help for children to participate in the summer camp programs.

We do not want to turn away a child who plays on the playgrounds daily or shoots baskets in our open gyms, yet he or she cannot participate during the summer months because his/her parents cannot afford the fee. We desperately want to eliminate this circumstance which is why we are reaching out to the citizens of Charlotte County.

Our department's goal is to raise enough money to provide financial assistance for as many Charlotte County children as possible, so they may experience all of the wonderful benefits summer camp has to offer. Please fill out the donation card below and return it to us at the address below. If you should have any questions about the Kids' Camp Connection, please call us at 941.505.8686.
