Our traditional summer camp program will offer visits to the pool twice a week. We will offer weekly onsite and offsite field trips. For onsite "field trips" we will be bringing businesses to our locations to do an onsite activity with campers, separate from our normal daily activities. For offsite field trips the children will be bussed via Charlotte County Public School busses to an offsite location. These field trips and lunches are included in the cost of registration unless otherwise noted. Two snacks and drinks need to be provided from home daily. Camp is open Monday through Friday 7:15am-6pm and all staff undergo background screenings and job specific training.
