Tuesday, 6 to 7 p.m.

Saturday, 10:30 to 11:30 a.m.

\$10 (for cost of book)

Must register by November 2

Written by former police detective David Paulides, this book chronicles people who have disappeared under strange circumstances. Most of these disappearances have occurred in clusters within national parks and wilderness areas going as far back as the 1800s. Odd similarities and patterns develop, including weather related phenomenon, search dogs acting strangely, and bodies being found in areas previously searched.
