

Service Alert - Port Charlotte Service Area

CHARLOTTE COUNTY, Fla. (October 5, 2020) — A water service interruption is scheduled for October 20, 2020 between 8 a.m. and 5 p.m. for the area of 2 Arlington Dr. Contractor will be performing work on the water distribution main. Customers within this area should plan on being without water service during this time.

Every attempt was made to speak with customers. In their absence, a door hanger was left indicating the dates of the service interruptions.
