BOIL WATER NOTICE IN EFFECT JULY 10 – Port Charlotte Service Area

Port Charlotte, Fla. (July 10, 2018) – Charlotte County Utilities has declared a precautionary boil water notice for a portion of the Port Charlotte service area due to repairs to a 6" water main. The affected customers are being notified and will remain under a boil water notice until further notice.

Addresses:

7301 through 7344 Adana Avenue

7300 through 7349 Desant Lane

7324 through 7355 Hedwig Court

Total of 59 service connections affected

Due to reduced system pressure from the shut-off of the water supply and as a precautionary measure, Charlotte County Utilities is requesting that all customers in the affected area listed above, boil water intended for drinking or cooking at a rolling boil for a minimum of one minute. Customers should boil water until further notice. The Utilities Department will notify all affected customers with a rescission notice as soon as the water quality is confirmed to be at safe consumption levels. As an alternative, bottled water could be used. We apologize for the inconvenience.

For customer questions, contact our Customer Service Department at 941-764-4300, or the Charlotte County Health Department at 743-1266.
