Create in the box above.

Contest Rules: Open to all children living in Charlotte County; between kindergarten and 5th grade for 2016/2017 school year. A panel of judges will select the drawing that best shows the benefits of Staying Healthy, Staying Hydrated, and Drinking Water. Extra value in scoring may be awarded if a conservation message is also included. The top scoring entry for each grade level will be entered into the overall scoring process, and one overall entry from the final six selected drawings will be chosen to be the design on Charlotte County Utilities Department water bottles.

To enter, return this completed form to:
