

Fire Station 8 Replacement

Organization & Contact: Facilities Management/Public – Travis Perdue/Chief McElroy – 941-764-1398, 941-833-5603 - Travis.Perdue@charlottecountyfl.gov, Matthew.McElroy@charlottecountyfl.gov

Area: Mid-County

Location: 21500 Clinton Ave, Port Charlotte, FL 33954 (current location)

Category: Infrastructure, Public Safety

Focus Area(s): Public Services, Infrastructure

Need:

Build a station to meet current design standards, improve efficiency, and further support the health and welfare of Public Safety personnel.

Purpose:

Program, design and construct a replacement station to meet current design standards, improve efficiency, and further support the community's health and welfare.

Objectives:

Utilize prototype design for the replacement of existing Fire Station #8. Design and construct a new station at the current location, including temporary station methodology to maintain service levels during construction.

Project Cost Prior Funding:	\$0
Project Cost Prior from Sales Tax:	\$0
Total Project Cost:	\$10,000,000
Project Cost Required New Sales Tax:	\$10,000,000
Annual Operating Cost:	\$TBD

Will the project impact public health and safety? If so, how? Yes, it will improve efficiency, resiliency and provide a right-sized facility for growth and resulting demands for emergency services.

Will the project foster economic development and create long-term jobs? If so, how? Yes, it will accommodate additional staff in support of community growth and demands for emergency services.

Will the project result in decreased, increased, or no operation and maintenance (O&M) costs? Will increase O&M costs with an expanded facility.

Will sales tax allow for application of grant funds from another entity? No
