Will the project impact public health and safety? If so, how?

Yes, it will provide recreation opportunities to the public. Parks promote physical activity and can positively impact health and overall wellness of the community.

Will the project foster economic development and create long-term jobs? If so, how?

Yes, improving the park will increase neighborhood desirability and improve home values.

Will the project result in decreased, increased, or no operation and maintenance (O&M) costs?

Increase.

Will sales tax allow for application of grant funds from another entity?

No.

Will the project enable furtherance of phased projects from 2020 sales tax extension?

No.

Is this a joint project with another entity?

No.

Will the project meet a community obligation to serve a special needs segment of the County's population, such as: low-income, aged, or minorities?

Yes, by providing accessible trails and amenities.

Is the project included in a Master Plan, Comprehensive Plan, or Capital Needs Assessment?

Yes, Parks and Recreation Master Plan and the Capital Needs Assessment.

Will the project impact environmental quality of Charlotte County? If so, how?

No.

Will the project improve quality of life in Charlotte County?

Yes, access to parks has positive effects on health and quality of life for the community.

Is the project state or federally mandated?

No.

Is the project dependent upon or connected with the completion of another project?

No.
