# Easter Egg-scursion Scavenger Hunt

Oh no! Harpy the Easter Bunny misplaced nine of his Easter Eggs. They can be found in some of our beautiful Charlotte County Parks.

## Can you help find them before Easter?

Hop around Charlotte County Parks with the clues on the back of this flyer to help Harpy find his Easter Eggs! Look for painted number eggs and write the number and location next to the clue where it was found.

Turn your completed scavenger hunt flyer in at any Charlotte County recreation center to be entered in a drawing for FREE prizes. One entry per egg found. Find all nine to be entered in the grand prize drawing.

**Bonus Entries:** Email a picture of yourself to [Antwan.Allen@CharlotteCountyFL.gov](mailto:Antwan.Allen@CharlotteCountyFL.gov) with one of the Easter Eggs for five bonus entries. Once the contest ends these photos will be posted to our Charlotte County Parks and Recreation Facebook page for a social media competition. The photo with the most likes and shares will win five entries.

**Stay Cool!** Sunglasses are available on a first-come, first-served basis for egg hunt photo participants.

# Help Harpy find his missing eggs!

- 1.** Harpy and his furry friends come here to play, hopping, running, barking every day, near a post by the gate, an Easter egg will sit and wait. (Mid-County)
- 2.** On the lake in the spring the water is calm and bright, fishers cast rods both left and right. If you seek, you just might find, Harpy's egg that's hidden close by. (Mid-County)
- 3.** Slide down fast or swing up high, climb the bars, and touch the sky. Kids run and laugh all day. HARPY's egg is where they love to play. This location has lots of fun. Its where two is better than one. (Mid-County)
- 4.** A game of aim, a game of skill. Tossing metal takes some will. Near the pits where horseshoes land, an egg is waiting in the sand. (South County)
- 5.** Spring is here with a brand-new court before your eyes! Be sure to grab a paddle when you come to visit. Harpy's missing egg is located near this park's newest addition. (South County)
- 6.** You may think of an island so far in the sea, but this park's much closer right here locally. With trails for fitness and nature to see, Harpy's missing egg lies beneath a tall shady tree. (West County)
- 7.** I sit in the obstacle, colorful and round, not in the basket but on the ground. I'm not Harpy's lost disc but hidden I stay. Find the egg near the fairway. (Mid-County)
- 8.** Near Alligator Bay boats go in and out with ease, the water is calm as Harpy enjoys the breeze. Head to the ramp or by the dock, an Easter egg will be close by where you are. (Mid-County)
- 9.** Here you can hop like Harpy, flip, grind, and glide. Where wheels and tricks bring joy and pride. Bunnies hop, and so could you, find Harpy's egg where the boards roll through. (West County)
