Purpose

Code of Laws and Ordinances, ARTICLE XLIV. - MANASOTA KEY STREET AND DRAINAGE UNIT, Sec. 4-6-914. - Purpose.

The purpose of the unit is to provide for the construction, reconstruction, repair, paving, repaving, hard-surfacing, re-hard surfacing, widening, guttering, and draining of streets platted and accepted for maintenance by the county, including the necessary appurtenances thereto, as well as sidewalks, bike paths, and beautification projects, from funds derived from ad valorem taxes within the unit.

(Ord. No. 93-73, § 4, 12-21-93)

Summary

Current Rate: \$0.7798 mils

The FY24 completed work program included all internal maintenance and administrative costs, and contracted services for specialty mowing and beacon repair. Decorative lighting for the commercial district was ordered but hurricanes delayed installation. The Advisory Board added a drainage study to the North Beach Road sidewalk design (Phase IV of community plan) in progress. Worsening flooding at Little Court necessitated stormwater design services, pipe lining, and the installation of water level monitors and hydro flap gates. Flap gates are inspected and cleaned quarterly.

The current fiscal year work program includes all internal maintenance and administrative costs, and contracted services for landscaping, concrete flatwork, specialty mowing, North Beach Road sidewalk design, flap gate monitoring and maintenance, and decorative light installation.

For FY26, the Advisory Board recommends budgeting for all internal maintenance and administrative costs, and contracted services for concrete flatwork, landscaping and specialty mowing, decorative light installation, North Beach Road sidewalk construction, flap gate monitoring and maintenance.

Future paving is anticipated for 2032.
