

**MEETING MINUTES**  
**BURNT STORE VILLAGE STREET AND DRAINAGE ADVISORY COMMITTEE**  
**December 14, 2006**  
**2:00 p.m.**

**Attendance:** Charles Costa, Dawn Carriere  
County – Dawn Harrison, Alan Holbach, Tim Free, Mike Dallenbach

The Chairman called the meeting to order at 2:00 p.m.

**Unfinished Business:**

- The pipe installation, which was improperly done on Doredo Drive and Burnt Store Road, will be corrected by Public Works at no charge.
- Ms. Harrison informed the Committee that there would be no increases to the 2007/08 Budget unless the members addressed their requests to the County Commissioners.
- Chairman Carriere reported grass growing in the roads, which were last paved in 1995, and a sinkhole on the side of Doredo Drive.
- Mr. Holbach suggested that the roads might require an overlay. Ms. Harrison will obtain an estimate to have the roads overlaid.
- Chairman Carriere questioned the charge of \$11,000 for the work done on Puerta Drive. Mr. Free explained that this was a pipe installation for an open outfall, which was requested by Judy Hunter.
- Chairman Carriere stated they should not be responsible for the charges on Doredo Drive.
- Mr. Costa reported a drainage problem on Corona Court. Mr. Holbach stated that Maintenance and Operations would have the pipes cleaned out.
- Ms. Harrison explained the process of formalizing the MSBU Committees. Members must submit a resume to the Board of County Commissioners who will appoint members, along with a term date.
- The Committee expressed their concern regarding the \$95,000 cost for the drainage work, which they were told would be \$45,000. Mr. Free stated that this was an estimate and they discovered problems with the utilities. Mr. Holbach explained that additional pipes were installed for more drainage.

- Chairman Carriere reiterated that all residential complaints need to come through the Committee first.
- Maintenance and Operations stated they would check out the standing water situation at the intersection of Minorca Drive and Puerta Drive.

The Chairman adjourned the meeting at 2:40 p.m.

Respectfully submitted,

Dawn Harrison  
Municipal Services District Representative
