Absent: Marilyn Wells

The Chairman called the meeting to order at 10:00 a.m.

Minutes: Mr. Pennypacker stated that the March 14, 2007, minutes need to include his discussion about the cost of paving inspection. He made a motion to approve the minutes with the noted changes. Mr. Hadsell seconded the motion, which carried unanimously.

Unfinished Business:

- Mr. Pennypacker inquired about who was paying for the sidewalks on Willmington Boulevard. The sidewalks were installed for children to get to school and should be maintained from another source. The Committee currently has \$51,000 budgeted for sidewalk maintenance.
- Ms. Harrison discussed the MSBU study and stated that the consultants are proposing to combine the MSBU's into three (Mid-County, South, West). Mr. Pennypacker stated that Englewood has maintained its infrastructure, and other districts should be required to bring their infrastructure up to standard before they are included in the MSBU. Ms. Harrison informed the Committee that a draft copy of the MSBU study is available online.
- Mr. Hadsell stated that the asphalt is falling apart on Portillo Avenue, where it intersects Prospect. The asphalt was not applied correctly when the road was paved.

New Business:

- Mr. Pennypacker discussed the importance of supporting West County Stormwater's assessment increase. Ms. Giblin discussed why she opposes the increase.
- There was discussion about a sign in the right-of-way on Gulfstream Boulevard. Ms. Harrison said it has been turned over to Steve Reager, Right-of-Way Supervisor.

Open Floor:

- A resident attending the meeting requested that he be kept informed about what is going on in the district.

The next scheduled meeting is October 11, 2007, at 10:00 a.m. at the Tringali Recreation Complex, Unit 2, in Englewood.
