The meeting was called to order at 9:34 AM by Chair, Sandy Slater.

The purpose of the meeting was to review the Draft 2015 SGC Landscape Maintenance Contract that was developed by the Committee at the January 16, 2014 Workshop, and subsequently reviewed and modified by Gregg O'Connor, Charlotte County.

The committee reviewed and discussed contract changes and additions with Gregg O'Connor, and Bob Dratch made the draft changes and additions as discussion was held. Bob Dratch will distribute the revised draft contract to the committee for review.

The committee discussed scheduling another workshop in May or June to finalize the contract so it can be submitted to Purchasing in plenty of time to advertise and award the contract by year's end.

Meeting adjourned at 12:11 PM.
