You're Invited

Residential Options of Florida (ROOF) and the Florida chapter of the Association of People Supporting EmploymentFirst (APSE) invite you to join us for a conference. Learn about resources and strategies for people with intellectual and developmental disabilities to realize their housing and employment goals.

This is an opportunity to learn from both professionals and self-advocates with knowledge of various employment and housing-related topics such as:

- Job development
- Hiring individuals with disabilities
- Disability accommodations in the workplace
- Finding housing in your community
- Rental and home purchase assistance
- Home modifications for accessibility
- Services provided by state and local agencies
- Fair housing and employment
