

## VETERANS HOME REPAIR AND BUILD CAMPAIGN

### CAMPAIGN OVERVIEW

Charlotte County Habitat For Humanity, in partnership with The Patterson Foundation and five local Habitat For Humanity affiliates, are participating in the Legacy of Valor campaign honoring the service of veterans and their families.

The goal of the Legacy of Valor campaign is to rally our community to honor veterans, inspire patriotism and embrace freedom leading up to the Spring 2014 dedication of Patriot Plaza at Sarasota National Cemetery.

Are you a veteran or do you know a veteran in need of home repairs or who would like the opportunity to own their own home?

As part of the Legacy of Valor campaign, Charlotte County Habitat for Humanity is working to help veterans with repairs to their homes. We are partnering with veteran organizations to locate and qualify veterans for the program, recruit veterans for volunteerism, and promote veterans helping veterans. The program will be in place until funds are exhausted.

We are also seeking local low-income veterans in need of safe, affordable housing to participate in our homeownership program.

We welcome local veterans who may be interested in donating their skills and time to help others by working on our construction sites, in our ReSale stores, or in our office.

We look forward to saying *thanks* by giving a 'hand up' to local veterans.
