84.3 ACRES

**670 Cooper Street
Punta Gorda, FL 33950
941.505.8686**

Located in the heart of Punta Gorda between Carmalita and Cooper Street lies a 84.3 acre regional park. South County Regional Park was built in 2005 and funded by 1998 Sales Tax, 2002 Sales Tax and Parks and Rec Impact Fees.

Amenities include a recreation center, which features a gymnasium with six basketball goals and a large meeting room, a pool with diving well, baseball and soccer fields, basketball and tennis courts, an RC car track, a community garden, playground, and retention lakes stocked with redfish. A variety of recreational programs and classes are offered throughout the year. The gymnasium, meeting room and pool are available for private use.

South County Regional Park Pool is a heated, eight lane, twenty-five yard competition pool with a shallow water play area and separate dive well equipped with a one meter diving board and wheelchair ramp for accessibility.

Recreational amenities include a water basketball hoop and inflatable water volleyball game.
