COASTAL PLANNING – GOALS, OBJECTIVES AND POLICIES

CST Policy 3.2.5: Development Requiring Special Needs Assistance

The County shall ~~prohibit~~ strongly discourage the development of any institutional uses, such as assisted living facilities, group homes for handicapped persons, hospitals and such similar uses, from developing in the CHHA. This will help limit public expenditures for pre- and post-disaster assistance. Charlotte County shall continue to amend and implement its Code of Laws and Ordinances to require all newly-constructed nursing homes, adult congregate living facilities, and hospitals to include shuttering or the use of shatterproof glass, as well as independent emergency power supplies located above base flood elevation or otherwise protected from flooding, as part of such facilities' design and construction.
