Attention Residents

Your curbside services include:

- Bulk pickup of yard waste and household bulky material.
- **Current service policy of 2 bulk pickups per year (Oct-Sept)** ENDS Sept. 30, 2019.
- **NEW service policy starts Oct. 1:** Up to 4 cubic yards of yard waste or household bulky material weekly (maximum of 4 cubic yards).
- Collection of up to four appliances (white goods) per year (Oct-Sep).
- Collection of up to four electronic waste items per year (Oct-Sep).
- Tires smaller than 22” with or without rims (limited to 6 per fiscal year).
- Curbside motor oil/filters and non-leaking lead acid battery collection is available on your service day (oil must be in clear, screw-top container).

For any questions please call 941.629.1106 or visit: CharlotteCountyFL.gov
Beginning October 1, 2019

- Maximum of 4 cubic yards per week (no request required).
- Cannot leave excess material for pickup the following week, must be removed from the curb within 24 hours.
- E-waste and appliance service will not change (call or online form required for pickup). Limit of 4 items of each per year at no charge.

Examples below are for reference and illustration only, your yard waste or household debris material size and shape can vary, volume cannot exceed 4 cubic yards.

You may set out up to ten paper bags, bundles, or cans of yard waste per week in addition to the 4 cubic yard debris pile.
- Please limit paper bags, bundles, and cans to 40 lbs or less and must be at least five feet away from carts.
- Limbs cannot be more than six feet in length and 10 inches in diameter.
- Yard trimmings in plastic bags will NOT be picked up at the curb, yard trimmings or debris piles in front of vacant lots will NOT be collected.
